

Eleventh Grade Boy (Guatemala) – Eight Weeks: This young man enjoys playing basketball and biking. For his entertainment, he loves to go to music concerts and play golf. He describes himself as outgoing, funny, and spontaneous. This future architect would make a great addition to any family with a young man who would share his like interests.

Ninth Grade Girl (Guatemala)-Eight Weeks: This young lady is a smart, creative, and honest young lady. She enjoys going to the beach, watching movies, and shopping. What interests her the most is learning about other cultures. She wants to form ties with people abroad and improve her English. She loves basketball, dancing, arts and crafts, and photography. She would love to find a family that has a girl her age.
